RESIDENT MEMBER

The highest level of CIT membership is for companies or individuals who are dedicated to creating the future with us.

- Tenants - companies who want their own floor - 325 LKR per sq. ft
- Private offices - min 6 seater, max 25 seater - 36,500 LKR + taxes (per seat)
- Individuals - private dedicated desk for 36,500 LKR per month + taxes

You'll get

- Your dedicated physical space with fast wifi, quiet zones to think and messy zones to create in
- Business services such as postal address, legal and financial support, lockers, copying, printing, etc.
- Access to specialist design services across digital interior, graphics, etc
- Specialists to work with on your innovations - through structured or more informal processes
- Guest access - bring who you need in to get the job done
- Space for informal meetings in our communal spaces and cafes
- Discounted rates and priority booking of our meeting rooms
- Access to our global network of thinkers and do-ers - who will regularly give workshops and talks
- Discounts on our partner services such as wellness, crèche and food.
- Exclusive access to our members-only events, free entry to our general and priority to our special events
- Discounts on your own events that can be designed and executed by us with catering and creative surprises, as required
- Access to specialist design services across digital, interior, fashion, graphics, etc.

ROAMING MEMBER

For people who want to work from CIT on a drop-in basis and get access to our network and events. Hot desking at 2,200 LKR per day

You'll get

- A hot desk space to work from - in a quiet zone with everything you need to feel inspired to think and create big
- Access to our global creative and tech global community
- Discounts and priority booking for our members' events, general and special events
- Discounts on our partner services - wellness, crèche and cafe, etc.
- Free access and priority booking of meeting rooms for up to 2 hours per day
- Space for informal meetings in our communal spaces and cafes
- Discounts on spaces to hold your own events

- Business services such as legal and financial support, lockers, copying, printing, etc.
- Access to specialist design services across digital, interior, fashion, graphics, etc.

NETWORKED MEMBER

For people who want to be part of our network and come to our events but don't need a physical space to work from.

10,000 LKR per month (or 100,000 LKR p.a)

you'll get

- Access to our global creative and tech community with specially designed networking events
- Free access and priority booking to our members' events and most general events.
- Discounts on booking our events spaces and eating in our cafe
- Access to the communal spaces in the building for casual working, hangouts and meetings
- Discounts on our partner services such as wellness, crèche and food.
- Access to specialist design services across digital, interior, fashion, graphics, etc.

STUDENT MEMBER

Students are an important part of CIT life and as such we offer you discounted membership, with AOD students getting priority. All other students from Sri Lanka or abroad need to write to us to apply. You'll get student rates for workshops and events. You'll also be part of our digital network.

BECOME A PARTNER (CUSTOM MEMBERSHIP)

If you're a company who would like a specific type of relationship with us, please get in touch to discuss a custom package.

CONTACT

Speak to us about the right membership for you and come take a tour of our building, your new home.
